Period of Insurance

Your holiday or journey must begin and end in your home area, (unless you have arranged cover for a one-way trip). Cover cannot start after you have left your home area.

Cover for cancellation starts from the date you book your trip or pay the insurance premium, whichever is the later, unless you have bought an annual multi-trip policy in which case cover for cancellation starts at the time you book your trip or the start date shown on your validation certificate, whichever is the later. All other sections commence when you leave your usual place of residence or business, or from the start date shown on your validation certificate, whichever is the later, to commence the journey until the time you return to your usual place of residence or business on completion of your journey, or the end of the period shown on

your validation certificate, whichever is the earlier. Cover cannot start more than 24 hours before your booked departure time or end more than 24 hours after your return.

For one-way policies, cover ceases 24 hours after the time you first leave immigration control in your final country of destination or at the end of the period shown on your validation certificate, whichever is earlier.

Single-Trip Policy

The start and end dates of your insurance trip are set out on your validation certificate. If you are aged 66 and over, the maximum duration for one trip is 31 days.

Cover is provided for trips in your home area, if you have booked

accommodation for two or more nights in a row.

The start and end dates of your insurance trip are set out on your validation certificate. Should you return home early, the policy becomes void upon arrival in your home area unless an additional premium has been paid by you for Home Visits. This entitles you to return to your home area a specified number of times within the period of insurance provided each trip does not exceed 14 days. Cover ends while you are back in your home area and starts again on your departure back to your foreign destination.

Annual Multi-Trip Policy

This cover entitles you to take as many trips as you like for 12 months from the start date of insurance as shown on your validation certificate provided each trip has a maximum length of 45 days (this is increased to 90 days if you have arranged Gold or Platinum cover). If you are aged 66 or over the maximum length of any one trip is limited to 31 days.

Cover is provided for trips in your home area if you have booked accommodation for two or more nights in a row. Winter sports cover is limited to 17 days for each policy year (this is increased to 24 days for each policy year if you have arranged Gold or Platinum cover).

To make sure you have continuous cover under your policy, we will aim to automatically renew (auto-renew) your policy when it runs out, unless you tell them not to. Each year we will write to you 21 days before the renewal date of your policy, and tell you about any changes to the premium or the policy terms and conditions. If you do not want to auto-renew your policy, just call us on 0844 888 2792. Otherwise we will collect the renewal premiums from your credit card or debit card.

You should also note that your renewed policy will only be valid when:
- you have told them about any changes to your policy details (including any changes in health conditions);
- and your credit card or debit card details have not changed

In some cases we may not be able to automatically renew your policy. We will let you know at the time if this is the case.

InsureandGo are entitled to assume that your details have not changed and you have the permission of the card holder unless you tell them otherwise. Insure & Go Insurance Services Ltd do not have your payment details. They will tell the relevant processing bank that have your payment details to charge the relevant premium to your debit card or credit card on or before the renewal date.

You can tell us about any changes to your policy details or opt out of automatic renewal at any time by phoning us on 0844 888 2792.

Cancellations & 'Cooling-off' period

If this cover is not suitable for you and you want to cancel your policy, you must write (either by e-mail or letter, which you can post or fax to the number below) to InsureandGo within 14 days of buying your policy or the date you receive your policy.

In line with the conditions below, InsureandGo will refund all the premiums you have paid within 30 days of the date you write to them to ask to cancel the policy.

For all single trip policies that have an end date within one month of the date of purchase, there will be no cancellation cooling off period applicable and no refund will be payable on these policies at any time.

If you are a single-trip policyholder whose cover ends more than one month after the date of purchase, they will not refund your premium if you have travelled or made a claim before you asked to cancel the policy.

If you have not travelled or made a claim and you wish to cancel the policy within 14 days of receiving your policy documentation a full refund will be given.

If you cancel after 14 days of receipt of your policy documents no premium refund will be made.

If you are an annual multi-trip policyholder and you have travelled or made a claim before you asked to cancel the policy, InsureandGo may only refund

part of the premium.

If you have not travelled or made a claim and you wish to cancel within 14 days of receiving your policy documentation a full refund will be given. If you cancel after 14 days of receipt of your policy documents no premium refund will be made.
