

Coronavirus cover from InsureandGo

The following information relates to policies purchased on or after 18th October 2021.

Please note that references to Coronavirus includes COVID-19, SARS-COV-2 (Severe Acute Respiratory Syndrome Coronavirus), and any variation or mutation of these conditions.

Make sure you keep up to date with the latest travel advice from the Foreign, Commonwealth and Development Office (FCDO). Note that there may be different rules depending on whether you're departing from or arriving into England, Scotland, Wales or Northern Ireland.

If the FCDO DOES NOT advise against all or all but essential travel to your destination, you will be covered for:

- Medical expenses if you need treatment for Coronavirus while abroad, including up to £2,000 to cover additional accommodation costs if this treatment means you need to extend your trip.
- Cancelling or cutting short your trip if you, a member of your family or travelling party, are medically diagnosed with Coronavirus or personally instructed to isolate by an NHS service or medical professional.

There is no cover for any other Coronavirus-related claims, including lockdowns, quarantines or other government restrictions. All other terms and conditions of the policy apply.

If the FCDO DOES advise against all or all but essential travel to your destination because of Coronavirus, you will be covered for:

- Any non-Coronavirus-related claims, including Emergency Medical Costs, Baggage, Passports, Money and Personal Accident claims, subject to the usual policy terms and conditions.

There will be no Emergency Medical Cover for Coronavirus and no cover for any Coronavirus-related claims, including choosing not to travel because of the FCDO advice.
